

CALIBRATE® CASEGOODS

Private Office Solutions

AIS

PERSONALIZE YOUR PRIVATE OFFICE

Calibrate Caseloads has options to support a wide range of preferences – from subdued and sophisticated to bold and distinguished. With plentiful finish options, a broad selection of storage, and smart design details, it's easy to create a beautiful workspace to support the unique needs of every individual.

Wedge top, floating powered desk with tapered legs

Stack-on, run-off desk

INTEGRATE HEIGHT ADJUSTABILITY WITH EASE

Your private office can easily support health and wellness with height adjustable workspaces. Choose where you need flexibility and we'll ensure your various working postures are supported. With Calibrate, convenient height adjustable surfaces can beautifully blend into the executive office when using enclosed bases and cantilevered options. Whether you sit or stand, your Calibrate private office will perform with you.

EXPLORE TODAY'S TRADITIONAL OFFICE

Calibrate provides many options when a traditional aesthetic is desired. Choose from multiple desk and storage options in different orientations to support user preferences and space requirements. With full or partial modesties, knife or 2mm edge details, four hardware pull options and numerous laminate finishes, your Calibrate private office will quickly feel custom.

U-shaped configuration with A-leg desk support

CREATE THE CONTEMPORARY OFFICE

Combine Calibrate’s subtle aesthetic options to create an eye-catching and streamlined office. Our Executive Floating Height Adjustable Desk makes a statement while seamlessly disguising height adjustability. Calibrate Dry Planters can enhance the space while adding visual privacy when needed.

The Executive Floating Height Adjustable Desk combines ergonomics with sleek design. Add a touch of refinement with the Slim pull available on Calibrate Series storage.

Add functionality and refinement to the office with optional whiteboard wall panels and painted slim pull.

GO SMALL THINK BIG

We know spaces sometimes shrink, yet ideas must grow. When private offices get squeezed Calibrate Casegoods come through, optimizing space and performance for users. The extensive line includes designs for offices of every size and shape – delivering strength and beauty no matter what the square footage may be.

SHARE SPACE COMFORTABLY

Whether working together or co-working, shared spaces continue to gain popularity while often easing an organization’s budget. Calibrate Caseloads feature many applications for side-by-side work in today’s ever-changing workplace.

Be sure to explore Calibrate Community when a shared private office needs to support team collaboration, too. Its sliding worktops effortlessly transform two workstations into one meeting table – ensuring the workspace can support multiple functions.

THE CALIBRATE FAMILY

Laminate solutions for the entire organization

The Calibrate Family of laminate products can fill the entire space with coordinated, high quality, beautiful solutions. All of its elements have been intentionally designed with compatible dimensions to ensure proper fit while sharing key design features such as finishes and hardware within the family – and often across other AIS lines. The result is clean reveals, tight tolerances and smooth alignment ensuring a cohesive aesthetic throughout your facility. Plan with a portion of the Calibrate family or plan with all of it: caseworks, storage, formal and informal conference tables, open plan desking system, and reception. The choice is yours.

1 Calibrate Reception

2 Calibrate Conferencing for formal and informal conference rooms

3 Calibrate Community laminate, spine-based system

4 Calibrate Storage for the open plan (Shown as support for PowerBeam)
